Profile

As a dedicated website developer with nearly two years of hands-on experience, I specialize in crafting engaging and functional WordPress websites. My journey into the digital world was fueled by a strong curiosity for web technologies, enabling me to develop expertise in creating visually appealing and user-friendly online experiences. I am excited to contribute my skills and creativity to innovative projects and dynamic teams, continuously striving to deliver exceptional results.

Experience

Website Developer

Mar 2023 – Present

Turnihi Tech Solutions

- Designed, developed, and maintained WordPress websites for clients across different industries.
- Customized themes and templates to match client branding and unique design requirements.
- Optimized websites for speed, performance, and SEO to improve user experience and rankings.
- Performed regular updates, security patches, and backup management to ensure site stability.
- Integrated payment gateways, APIs, and other third-party services for eCommerce and dynamic websites.
- Collaborated with designers, content teams, and clients to deliver high-quality web solutions.
- Migrated websites between servers and performed domain setup and DNS configuration.
